WELCOME

Dear Participants,

Welcome to the Second Annual Meeting of the PPE Society. Having sponsored a number of sessions at other conferences, last year we decided to try a free-standing PPE Society Conference. Much to our pleasure, it was a real success. And enough people expressed the hope that we would hold another that... we are! Thank you so much for the role you will play in making this one a success.

This program contains information about the various sessions that will be held during the conference. Most are concurrent, but we do have two keynote addresses, one by Charles Holt (on Thursday) and one by Ann Cudd (on Saturday). We also have two receptions (one on Thursday and one on Friday). A lot is jammed into the days. But the evenings are free for you to enjoy New Orleans and the company of an incredibly interesting group of people.

The PPE Society's mission is to encourage the interaction and cross-fertilization of three intellectual disciplines that are, in their history, deeply intertwined and that now, and going forward, have much to offer one another. If you have not already, please join the PPE Society (which you can do at www.ppesociety.web.unc.edu/join-the-ppe-society/).

If you have any suggestions about how we might effectively pursue our mission please do not hesitate to pass them on to me.

In the meantime, please enjoy the PPE Society's 2018 conference!

Cordially,
Geoff Sayre-McCord
Founder & Executive Director

New Orleans Suggestions

Here, thanks to Ian Cruise, are some suggestions of things to do in New Orleans, along with enjoying the conference sessions and receptions:

FOOD:

Upscale, classic New Orleans:

Commander's Palace, Galatoire's, Arnaud's, Antoine's

Upscale, but more modern:

Cochon, Herbsaint, La Petite Grocery, Coquette, Peche, Shaya, Compere Lapin

Cheaper, but great:

Central Grocery (for Muffulettas), Parkway Bakery and Tavern (for Po Boys), Company Burger (for burgers), Juan's Flying Burrito (for Mexican food), Cafe du Monde (for beignets)

ALSO WORTH CHECKING OUT:

Sucre, which is a great bakery where you can get all kinds of confections, but probably most notably some great macarons.

Bars:

The Carousel Bar, The Sazerac Bar, and for anyone interested in something kind of kitschy but still fun: Lafitte's Blacksmith Shop Bar, which is reputed to be the oldest bar in the US.

Music:

Just walk up Frenchmen St. at night: The best known places along there are probably The Spotted Cat Music Club and Three Muses.

Other places not on Frenchmen that are solid: Tipitina's and the House of Blues.

OTHER STUFF TO DO:

US National WWII Museum, New Orleans Museum of Art, City Park, Audubon Park, take the street car down St. Charles and look at all of the architecture.
